Aboriginal young people are not overrepresented in the criminal justice system

Measure Definition 1.1, 1.2, 1.3 Aboriginal young Number of Aboriginal young people held in juvenile detention, whether remanded or sentenced. Custody population figures are counted as at midnight on the last day of people in detention the month 2.1, 2.2, 2.3 Aboriginal young Number of Aboriginal young people appearing in finalised criminal court appearances. A finalised appearance is one which has been fully determined by the court and for which no further court proceedings are required. Counts appearances finalised in the Children's, Local, District and Supreme Courts. people in court Number of Aboriginal young people proceeded against to court by NSW Police. This measure excludes Aboriginal young people proceeded against for a breach of bail. 3.1 Police court proceedings Due to improvement in police recording of Aboriginality since Jan 2022, the number of persons with a recorded Aboriginal status has increased 3.1 Diversions from court Number of Aboriginal young people proceeded against by NSW Police via a Youth Justice Conference referral or a caution or warning under the Young Offenders Act. Fare evasion offences have been excluded from these proceedings as they are regarded as a diversion from an infringement notice, and not directly a diversion from court. Due to improvement in police recording of Aboriginality since Jan 2022, the number of persons with a recorded Aboriginal status has increased Number and proportion of Aboriginal young people refused bail by the police. 4.1 Refused bail by police 4.2 Refused bail by court Number and proportion of Aboriginal young people refused bail at their first court bail appearance. 4.3, 4.4 Bail breaches Number of Aboriginal young people whose bail was revoked due to a bail breach. 4.4 shows breaches where the offender committed a new offence, 4.5 shows a technical bail breach, such as reporting to police, curfew and residence. 5.1 Found guilty in court Number of Aboriginal young people found quilty in finalised criminal court appearances. 5.2 Sentenced to prison Number and proportion of Aboriginal young people sentenced to juvenile detention. Number and proportion of Aboriginal young people refused bail at court finalisation by whether they received a custodial penalty or not. 5.3 Sentenced to custody from remand 6.1 Entering custody Number of Aboriginal young people received into custody. Excludes those held in police/court cell complexes. 6.2. 6.3 Remand and sentenced Remand - Aboriginal young people refused bail (and small numbers granted bail but unable to meet conditions) are remanded in custody pending future court action. Sentenced - the courts have imposed custodial sentence for a proven offence. population 6.4 Length of stay in custody The average number of days spent in custody for Aboriginal young people discharged from custody. The number and proportion of Aboriginal young people discharged from custody that spent less than 2 days in custody 6.5 Short-term remand 6.6 Detainee's most serious offence The most serious offence type for which each person is in custody (remand and sentenced custody). Data is shown for the most recent month. 7.1 Reoffending among Aboriginal Reoffending is defined as a further offence committed within 12 months of a Youth Justice Conference or proven court appearance and finalised by court appearance or young people guilty in court or Youth Justice Conference within 15 months (excludes those who received a custodial penalty). Data is presented for a 12-month period (annual cohort) ending with the dealt with by YJC relevant guarter.

Reoffending is defined as a further offence committed within 12 months of release from sentenced custody and finalised by court appearance or Youth Justice Conference within 15 months. Data is presented for a 12-month period (annual cohort) ending with the relevant guarter.

Reoffending is defined as a further offence committed within 12 months of release from sentenced custody and finalised by court appearance within 15 months where the offender received a subsequent custodial penalty. Data is presented for a 12-month period (annual cohort) ending with the relevant guarter. This measure counts only those offenders who committed a new proven offence not parole revocations or bail refusal. 7.3 is a subset of 7.2 and shows those who were returned to custody.
