Rates of POI's with an apprehended domestic violence order by the POI's residential Local Government Area in 2019

The map shows the rates per 100,000 population across different regions in New South Wales, Australia. The rates are color-coded to indicate different population density ranges:

- Light pink: 0 to 279.1
- Pink: 279.2 to 437.1
- Light red: 437.2 to 611.4
- Red: 611.5 to 954.3
- Dark red: 954.4 to 2467.2
- Very dark red: Values exceeding 2467.2

The map highlights areas with high population densities, such as Sydney and its surrounding regions, which have lower rates per 100,000 population, while more rural areas like Cobar and the Mid-Western Regional area have higher rates.

This data is from the NSW Bureau of Crime Statistics and Research.
